

Dani WILLIAMS

Dani trained as a Registered Intermediary in 2014 and has assisted with over 360 cases. Before training as an intermediary she worked as an expert speech and language therapist in the NHS for 20 years. Dani began working with defendants in 2016 and has been involved in facilitating communication in Murder trials, gross negligence manslaughter, drug trafficking, modern slavery, joint enterprise attempted murder, large scale fraud / money laundering and sexual abuse cases. In September 2019 she started working in family court. Dani specialises in working with vulnerable children and adults who have learning disabilities, Autistic spectrum disorder including Asperger's syndrome, Attention Deficit Hyperactivity Disorder, Head injuries, Stammering and progressive neurological conditions. She has experience in working with vulnerable people who have depression and anxiety and undiagnosed mental health difficulties.
